

What's Up with the Bottle?

Every year, donation bottles make their way across communities in Delaware, to support women and babies who find help at A Door of Hope.

We are among thousands of people, from more than 65 churches and schools, invited to join the Baby Bottle Benefit for ADOH.

You may know, that all kinds of women come to A Door of Hope with all kinds of pregnancy concerns. Sometimes their concerns are complicated by poverty, neglect, addiction, and abuse. Sometimes the women can't imagine how they can have their babies. And that's why they need A Door of Hope.

These mothers come to A Door of Hope for encouragement. They come for information about their pregnancies. They find resources to help them keep their babies. They learn how to be good mothers. They come and earn things they need for their babies - like diapers, clothes, strollers, car seats, and pack 'n plays. And they ask questions about everything - including questions about God.

All this help is free to mothers, but A Door of Hope needs money to keep three centers open for them. And a Door of Hope has bills to pay. Will you help A Door of Hope, so they can help mothers and their families?

Starting **NEXT WEEK**, Sunday, April 29th – Simply take a bottle and fill it generously with bills and checks (\$35 or more) over the next few weeks, and then return it to the table in The Commons.

So - what's up with the bottle? Hope! That's what.

Last year our community raised \$80,000 during the BBB.

Let's do it again this year!
